RECREATION AND WELLNESS

News and Updates

Just a note to the community;

I would like to take this opportunity to remind everyone that Gymnasium activity schedule, upcoming events, activities, news can be found on village website www.belledune.com .

I have 2 more games added to parent/kid/youth activity night or open gym, recently acquired Air-Hockey game and Foosball game. With these 2 additions it will give participants and parents more of choice and possibly see more participation from families in the community!

With the help of coach Joe Lanteigne, early youth soccer (school age) is being held on Monday evenings from 6pm-7pm and when the nicer weather approaches, we will be taking it out doors to the Village Hall soccer field for May and June! Parents that are interested in the May-June Soccer program, please let me know via my contact information below. Look forward to seeing everyone again this year.

FYI...I am working on other programs and activities for spring and summer so will keep you all up-to-date via Messenger, Website and posters. There is lots of activities going on in the community so please get out there and enjoy. The Municipal Hall Gymnasium is open 8am-noon & 1pm-4pm Monday to Friday for Run, Walk or Play, so get in out of the cold and come enjoy this great facility! Stories of inspiration from people just like you...

How this “Pak” has helped a group of women get ahead on their wellness goals.

For a lot of people, a lack of motivation stops them from exercising regularly. Often finding a partner or group can offer the encouragement needed to keep going and push just a little bit further. One group is proving just that: The *Gal Pal Pak*.

Lyne Legacy, founder of the group and an active 53 year-old grandmother of five, is a perfect example of the kind of generosity and vitality found in the *Pak*. Active since the age of 20, she understands how important physical activity is for wellness. Last winter, Lyne was snowshoeing with a small group of women on a regular basis. As the days got warmer and spring came along, Linda, another member of the group, suggested they continue to find ways to be active together. Lyne told the group, “I’m training for a 5 km run in Carleton in early June, do you want to join me?” And that’s how the group went from snowshoeing to running, 3 times a week. They participated in several runs that summer.

The *Gal Pal Pak* was born. Through word of mouth, the group grew to have a [Facebook page](#) with over 300 members where the women exchange motivational stories, recipes, and information on physical activity. As the group grew, so did the list of the activities; these women are not afraid to try something new! From running to walking, stretching to yoga, from Aqua Zumba to cycling – the *Pak* is constantly finding new ways to challenge themselves. Day after day these women receive inspiration and support from each other.

The group started as a way to stay connected and plan outings, but ended up being so much more. The positive energy they share fuels their motivation every day. This group proves that pursuing wellness together really packs a punch! Their story is a great example of how one person’s desire to make positive changes in their life can inspire others, and how the support of a group can help all its members accomplish goals they may not be able to reach on their own. “FEELING INSPIRED??”
