Stanley Cup visits Belledune

Dear Citizens of Belledune:

The Council of the Village of Belledune wish to thank all those involved in hosting the Stanley Cup in our community. The event was a huge success, and everyone had a great time viewing the most recognized trophy in all of sports. The Council wishes to thank Paul and Mark Arsenault for their efforts in dealing with the Hockey Hall of Fame. We would also like to thank Senator Paul McIntyre for taking time to be here. The excitement that was in our community could not have been possible without the support of our partners who do business with the Village of Belledune. Council would like to thank Rayburn Doucet of the Port of Belledune, Mike and Belinda Babin of Guardian Restigouche Pharmacy, Toni Babin of Allan, Paquet & Arsenault, Rejean Boudreau of Roy Consultants, Dwayne Samson of Shaw Group and Xstrata. Council is very proud to have had the opportunity to host such a great cultural icon as the Stanley Cup, and we hope that you enjoyed the experience.

Sincerely,

Ron Bourque-Mayor

Letter of Thanks

As my 9 years on the Port of Belledune Board of Directors draws to a close, I would like to thank the present village council and all the previous councillors for having given me this great opportunity. It has been a distinct pleasure to represent the village and its residents on the Board of Directors over the years and I always strove to do so with the best interests of all in mind. I could not have done this without the backing of and assistance from the village council, past and present - and of course, the staff - for this, I am truly grateful.

I have always been extremely proud to represent this village and to represent our port and I will continue do so to the best of my abilities even after my official title expires. I would like especially to thank all the village residents for the support they showed to me during my time on the Board and even more importantly, for their continued support of our port.

~Claude Doucet
