Naming of Memorial Park

At the last Council meeting, it was decided to canvass the community to name the memorial park on Jacquet River Drive. For some time now we have wanted to find a name that reflects the history of the community as well as emergency responders like ambulance, fire and police, as well as war veterans. If you have any suggested names either phone them in at 522-3700 or email bell002@nb.aibn.com, or simply drop them off at reception at the municipal hall. We will allow until the end of summer to come up with a name and aim at trying to have a name chosen by Labour Day. So, get those ideas flowing, and let us know what's on your mind. There might even be a prize for the chosen name. There is no age limit, so children can suggest a name also.

Village of Belledune Sport and Recreation Report

Beginning in October, I, along with a number of contributors, will be penning a new article in The Messenger entitled "The Village of Belledune Sport and Recreation Report". Although we are a small village, we are a dynamic one, and a number of associations and groups dedicated to sport and recreation flourish here. This article will attempt to keep you up to date and informed on events, competitions, and tournaments as well as highlight the participants, athletes, coaches and volunteers who make sport and recreation such an integral part of our community.

Some of the groups we will focus on include long-time local sport icons such as the Belledune Figure Skating Club, Dusty Sneakers, and The Supervillage Trailblazer's Snowmobile Club, as well as those who have just begun to weave their place within the fabric of our community. If you would like your sport, or recreation related activity included in this monthly chronicle, please call me at 237-2025. Thank you.
