▪ Lobster Festival Update

Councillor, Killoran gave an overview of the status of the event. The committee is a team of 10 and the event is scheduled for May 18 & 19, with Gala Dinner on May 18 and the May 19 being a family day at the new municipal facility gymnasium. That night will be the official 50th Anniversary kick-off and end of Lobster festival. The plan is for possible outside event, weather permitting, with a band from Bathurst - Irish culture rock band. There will be fireworks, and the fireworks "50" display will depend on being able to get it by that time; it is ordered from China.

The financial for the ticket sales is being worked on and tickets sales will be a full table, 1/2 table, single seats, etc.; tickets are \$100 per plate for the Gala.

Next day there will be lobster rolls and other dishes will be prepared and will be a big event. The preliminary conversation from the surrounding communities gives an indication that this will be well attended.

This will be a big public event at the new municipal facility to celebrate Belledune's 50 years; our past and what the future will be afterwards.
