MUNICIPAL OFFICE

The Belledune Municipal office, located at 2471 Main St. is open to the public. When coming to the office, please adhere to all posted signage and physical distancing measures. Hand sanitizing station is available for visitors, and our common areas are disinfected after each visit. With these added precautionary measures in place, **we are asking all residents to conduct as much business as possible over the phone, or by e-mail instead of in-person meetings. Walk-in appointments are not being allowed at this time, any meetings with staff are to be pre-scheduled.** One person per appointment will be permitted. We are keeping a daily visitor record, so all visitors will be asked screening questions. Our offices will be closed between 12:00pm to 1:00pm, Monday to Friday, to allow for us to keep accurate information in the daily record.

You can call the office at 506-522-3700 and direct your call to anyone on the list or you can email [info@belledune.com](mailto:info@belledune.com) and your questions will be directed to the appropriate person. Please make sure to wear a mask!!!

**Notices**

- Please note that if you receive a flyer in the mail, a request for tender or quote, etc. and it is not on Village of Belledune letterhead or have our logo on it and/or it is not endorsed by the CAO, Mr. Landon Lee or by Mayor Joe Noel that means it did not come from the Village office.
- If you are sending correspondence to the Village of Belledune please make sure you include your name, a return address and telephone number so we can contact you.

**Garbage and Recycling Collection Notice**

**Please note a few items in regards to the Collection of Recycling and Garbage:**

- We are asking people to put their Recycling bins out when it is  $\frac{3}{4}$  full, when people wait until its full or overflowing it causes issues with the truck lift. Thank you for helping us out.
- The bins (or garbage bags) must be put out by 8:00am
- Garbage/Recycling bins or bags must be put at the end of the driveway on the shoulder of the road, some people are putting their bins half way up their driveways, if it is not at the end of the driveway we will not be picking it up.

- There will be no large garbage collection until May 2021. Please do not put any large items or steel at the roadside as it will not be picked up!!! If you do put anything out at the roadside you are responsible to bring it back in because it will cause issues with the snow plow. We do not pick up tires so please do not put them out.

### Housing Subsidy Grant
