COMMUNITY ANNOUNCEMENTS

JACQUET RIVER NATURE GROUP 1/2

We will be conducting our annual Christmas Bird Count (CBC) on Thursday, Dec.14. Along with thousands of other groups (over 30 in NB), we do a one-day inventory of species in our area from Belledune to Black Point. We will meet at the JR Legion at 9 AM to divide into groups of 2-4 people then drive out to as many parts of our zone as possible. It usually takes 3-4 hours. Numbers are tallied & the results are sent to Birds Canada. The CBC started over a century ago & has given scientists valuable information the help form public policy to protect our feathered friends.

Our bird watchers group usually meets the second Wednesday of the month at 7 PM at the Jacquet River School, but not this December due to the Christmas bird count.

JACQUET RIVER NATURE GROUP 2/2

Our group also participates in the monthly NB seabird survey to collect vital information on seabird movement thru our area. We won't be doing it this December, however. We continue to have outings to birding sites in our area led by experienced birders. Come out, you will learn lots about different birds & how to observe them. You are welcome at meetings & outings; if you enjoy it, you may want to joint the JRNG. We discuss sightings of all of nature's wonders.

If you are interested in helping on the CBC or joining an outing, contact me, Dan Flanagan, at 237-2118. The next meeting will be January 10.
