- Provincial Municipal Highway Partnership Program Update

High level update on the five year plan, which is a provincial/municipal partnership for provincial roads within the community. For Belledune, this is Route 134. The five year plan includes five phases, once one phase is complete, Phases 2-5 move up and become Phases 1-4 and Council needs to identify the next section to include as Phase 5. Recently one part of the plan has been completed, which was Jacquet River Bridge up to St. Gabriel's Church. Council needs to identify the next section of the plan to go in as Phase 5.

Clerk/Treasurer, Angela Culligan
