The logo for Circular Materials features a large, stylized blue letter 'C' on the left. The 'C' is composed of two overlapping, curved blue shapes that create a sense of motion and a circular path. To the right of the 'C', the words 'circular' and 'materials' are stacked vertically in a blue, lowercase, sans-serif font.

As of November 01, 2024 the Village of Belledune's recycling program will be managed by Circular Materials, the administrator of the common collection system and a not-for-profit organization that is committed to building an efficient and effective recycling system in New Brunswick.

WHY IS THE PROGRAM CHANGING?

New Brunswick's recycling programs were operated by Regional Service Commissions, entities, and First Nations communities. Now, under the Designated Materials Regulation – Clean Environment Act, New Brunswick is transitioning to a new model where producers – the organizations that produce the packaging and paper products – will be responsible for operating and funding the program. Please note that this new recycling program is for residents only, businesses within the Village of Belledune will not be affected and will continue to have recycling services offered by the municipality.

CONTACT INFORMATION:

Starting November 01, 2024 the Village of Belledune will no longer be overseeing the recycling program for residents. For any recycling collection inquiries after November 01, 2024 please contact Fero.

✉ recycle@fero.ca

St. John the Evangelist Church, Belledune

Bottle Drive Fundraiser

Hello Parishioners, former parishioners, and friends of Saint John the Evangelist Church in Belledune. Your Church Management Committee has embarked on an initiative to raise “funds” for your Church and for your Cemeteries. We are inviting you to donate your returnables. We will cash in what we collect at the redemption centre.

THIS IS AN ONGOING FUNDRAISER.

Your returnables can be dropped off at 2680 Main Street in front of the garage and we will store them safely until we have a full load to cash in.

Important Information:

1. Rinse the containers
2. Glass bottles (wine, liquor, beer, etc.) must be in a cardboard box for safety reasons. Caps may be left on bottles
3. All other returnables may be placed in large garbage bags. Caps may be left on bottles.
4. If you are not able to drop off your returnables, contact one of the committee members and we will pick them up.

Thank you for your support in our efforts to keep our Christian Community viable.
